

Safe Management at Live Events

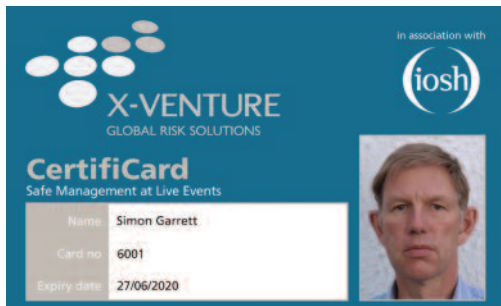

This is our flagship course which is run over 4 days and is aimed at Event Managers and operations staff with health and safety responsibilities. It has now become the basic course in the events industry for all event management staff and is also recommended for Event Directors who have limited operational experience. The course delivers a basic grounding in health and safety law and covers event risk assessment in detail.

In house courses cost £2,800 plus £120 per delegate.
Places on open courses are available at £850 per delegate.

Course Overview. The course modules are:

- Module 1 - The Business Case – Why Health and Safety is Important
- Module 2 - Health and Safety Law
- Module 3 - Event Constructions Hazards
- Module 4 - Risk Assessment
- Module 5 - Health and Safety Management
- Module 6 - Proactive Monitoring
- Module 7 - Hazardous Agents and Health Hazards
- Module 8 - Handling Accidents and their Causes
- Module 9 - Business Travel – Personal Safety and Security
- Module 10 - Public Safety Hazards and Security Threats

Delegates must pass a 40 minute written test and complete a risk assessment project within 10 working days of the course to certify. Successful delegates will be awarded a photo ID certifiCard.

The Course Director

Simon Garrett MA CFIOSH FIIRSM Dip2.OSH
Managing Director X-Venture Global Risk Solutions

Simon is an experienced safety professional working in the events sector with some of the biggest names in the industry in his client list including UBM, Reed Exhibitions, ITE, Clarion Events, and dmg events to name a few. Simon has worked extensively in Europe, China, India, Africa and the Middle East. For over 10 years Simon has trained thousands of event managers, supervisors and operatives on IOSH courses, and was previously a course director at the UK government's emergency planning college.

Simon was formerly the Operations Director of an international venue in London. After gaining his diploma in occupational safety and health he set up X-Venture specialising in event safety management. In 2013 he was made a Chartered Fellow of the Institution of Occupational Safety and Health. For details of other trainers see the website.
